Our Class agreement:

Below are the few simple rules we all agreed on.

- We will always show respect for everyone and everything.
- We will always look after things in our classroom and share these with each other.
- We will always choose kind words to say and use kind hands.

Homework in Year 1

- Homework will be given out on a Friday to be returned by the following Friday. This allows plenty of time for the homework to be looked at and marked. Homework will consist of either Maths or English. Homework will be completed in an exercise book.
- Children will also be given the phonics sounds taught during the week to take home. Please practise these as often as you can.
- There is also a little book of homework ideas, if

This half term we are learning about:

This half term we will begin our topic titled 'A Wonderful World.' We will link this topic to the places children have visited over the summer. In Geography, we will find out about places that people visit, the different types of transport used and the type of activities people do on holiday. In History we will learn about transport and the first aeroplane flight. In Art we will be looking at the work of the artist George Seurat and use his work as inspiration to create our own paintings

In English we will be reading a selection of texts relating to our topic theme. We will use these as a basis to develop our writing and sentence structure. We will begin by writing lists, labels and captions before moving on to sentences and looking at stories with familiar settings towards the end of term.
