Topic

This half term we will be learning all about the First World War and reading Warhorse.

Research the author of Warhorse – Michael Morpurgo - think of a creative way to present what you find out!

Create a poster ask men and women to volunteer to help with the warfront.

Can you write a diary entry imagining that you're in the trenches?

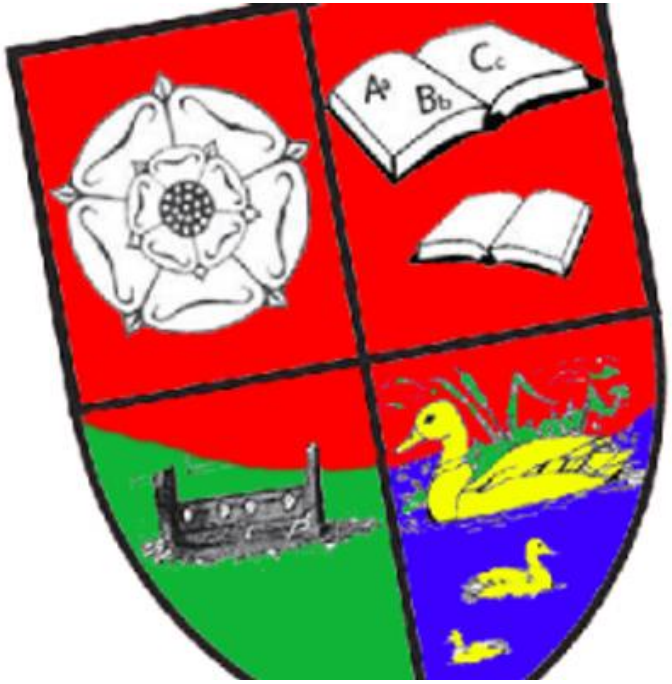
Can you find a recipe of something that would have been eaten in the First World War and make it? If you don't want to bring it in you can always to a take picture.

You have discovered a new animal. What is it called? What does it look like? Can you draw and annotate the picture?

Reminders!

PE days are Monday afternoon & Thursday morning.
Please bring a coat in cold and wet weather.

My little book of things to do at home!



Year 6

Name.....

Mathematics

In maths this half term we are learning about fractions, decimals and percentages.

Examples will be included in the maths homework book when it is sent home.

Please encourage multiplication as much as possible as it underpins a lot of the maths in Year 6.

Children need to know all of their times tables and I would like them to keep practising them at home either through flashcards or using Hit the Button..

My Maths homework will be set every week.

English

In English this half term we will be researching and writing all about the First World War. You may want to research some information about your own family and see if they fought in the war! Or can you research a key battle – maybe something other than the Battle of the Somme.

Reading

Remember that reading at home is important and that at school we are having a focus on reading for pleasure. You can borrow any of the books from our school library to read.
Can you manage to achieve reading every night before bed for 15 minutes?
Is there any books that you can recommend to Mr Heath or the other members of Class 6?

ICT based learning

Can you create a PowerPoint about our class topic (WW1?)
