

Topic

The start of the term will be focussed on Armistice and learning all about WW1. We will be using different medias to create a range of artwork based on the war and Remembrance Day.

Following on from this we will begin a new science based topic linked to animals including humans.

ICT based learning

Research the lives of other war veterans and heroes such as Simon Weston.

Visit the following site and pick some of the activities from 'families' to do:

http://www.bbc.co.uk/history/ww2peopleswar/about/lzone_lessonplans.shtml

Keep up with the news at:

<https://www.bbc.co.uk/newsround>

Reminders!

PE is on Tuesdays and Fridays. Please bring a water bottle every day.

A little book of things to work on at home

Year 6

Name.....

Mathematics

In maths this half term we will start by recapping division including decimals and introducing a new formal written method. We will look at order of operations and how we can use these within algebraic formulae to help us solve equations. Later on in the half term, we will introduce averages and how we can use these to interpret data that is represented in different ways.

Please continue to practise your times tables every day. You made great progress last year, I wonder who will be first to complete our Olympic times table challenge?

Mymaths and TTRockstars homework will be set every week, please ensure this is completed. There will be a battle of the bands set weekly, we need to make sure we access this as often as possible so we remain at the top!

Below are some maths websites which you may wish to access with your child:

English

In English this half term we will begin with some diary writing and letter writing in line with our Armistice work. We will also spend some time writing a biography of young war veteran 'Ben Parkinson'.

Following on from this we will conclude our study of the book 'Wonder'.

Spelling, Punctuation and Grammar

Every week you will be set spelling homework on Spelling Shed and SPaG homework on SPaG.com. Please keep up with your homework!

Reading

We will continue with our class novel 'Wonder' this half term.

Remember that reading at home is important and that at school we are having a focus on reading for pleasure. You can borrow any of the books from our school library to read. Can you manage to achieve reading every night before bed for 15 minutes? Are there any books that you can recommend to your teachers or the other members of Class 6?
