

## EAST BIERLEY CE(VC) PRIMARY SCHOOL

### Sports Premium Funding

#### What is it?

The government have set aside money to spend on improving the quality of sports and PE in all Primary schools. This money is jointly provided by the Department for Education, Health and Culture, Media and Sports.

At East Bierley we receive £8,000 per annum and £5 per pupil.

This funding is used to ensure all our pupils have access to high quality PE, develop healthy lifestyles and it promotes engagement in PE and sports.

#### How is it spent?

At East Bierley we spend our Sports Premium and additional school funds on:

- Affiliation to a Gold package offered by the Accelerate Team at Tong High School. Accelerate provide many opportunities to compete against other local schools, level 2, and a pathway to lead to competitions at West Yorkshire level, level 3.
- Improvements to the organisation and training of Young Leaders (Playleaders) and additional resources have improved the availability and access to sports at break times.
- Staff development – dance workshop and High 5 Netball training.
- Providing additional out of school sports coaching
- The PE co-ordinator being given additional hours to plan, organise and administrate a comprehensive competition framework. In addition to this this PE co-ordinator has time to oversee a system of monitoring and evaluation to ensure that children have access to sports clubs and competitions.
- Some transportation costs to attend competition at venues such as Futsal Arena, Leeds; Richard Dunns Sorts Centre, Bradford; and Leeds Becketts University.
- Additional resources to deliver a varied PE curriculum.

East Bierley Primary School is committed the delivery of high quality PE lessons. Our pupils are motivated and keen to represent school at all levels.

**We stand by the 'Spirit of the School Games' - Honesty, Teamwork, Respect, Self-Belief, Passion, Determination.**

We commit a substantial amount of general school budget by employing coaches from the Accelerate team to deliver curriculum lessons. We organise our timetable to provide some CPD for teachers where our highly skilled Accelerate coaches, James Myers and Joe Groves, upskill staff in the delivery of the PE Curriculum.

## **Our Proud Achievements**

This current academic year; Sept 2015 – February 2016:

- 78 pupils have accessed after school sports clubs.
- 84 pupils have represented school at inter schools sports competitions.

### **Inter competitions (level 1):**

These are competitions held in school where children compete against one another in their House Teams.

At East Bierley there are four houses. Each house has a name and colour.

Jordan House (green)

Johnson House (red)

Brady House (blue)

Springthorpe House (yellow)

All the competition results across school are collated to determine an overall winner. Results so far:

Autumn Term 1: Jordan,

Autumn term 2: Johnson

Spring Term 1: Joint winners: Jordan and Johnson

### **Intra Competition (level 2/3):**

These are competitions where children represent school and compete against other local schools. Success at these competitions can lead to a pathway to compete at Bradford level and onto West Yorkshire level.

### **Successes so far:**

- Yr 6 boys team, Yr 6 girls team, Yr 5 boys team and an individual girl and individual boy through to the West Yorkshire School Games for Cross Country.
- 3<sup>rd</sup> position at U11 Football League.
- Winners for taught choreographed routine at the Pom Cheer Competition.
- Sports Hall athletics Team – heat winners; South Bradford runners up; Bradford School Games at Bradford University and finished in 5<sup>th</sup> position.
- KS 2 Golf (2 girls from yr5 and the rest of the team from yr4) 2<sup>nd</sup> position.
