

We will inform you about class trips and visitors as topics are planned throughout the year.

Dates are occasionally subject to change—any changes will be put on the website in our newsletter where we try to give you as much notice as possible.

As a school, we support a number of local and national charities, some are supported annually and others are chosen by our school council as a focus for the year. We provide opportunities for children to develop their understanding of charity and social action.

We are always mindful how often we are asking parents for our support. We appreciate you are always willing to help but we do try to limit and spread out the number of charities we plan to support throughout the year.

We are grateful for your support
