

Rhyme

Rhyme means words that sound the same or similar in their endings. We will look at the work of Julia Donaldson to discuss the rhyming words used in the stories. We will be looking for patterns in the books.

Acting Out

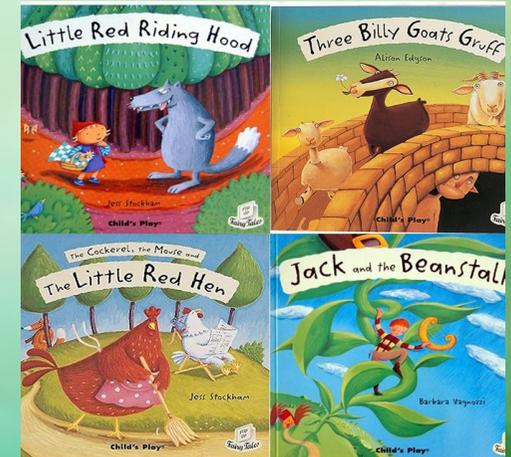

We will be introducing drama as a method of story telling, creating actions to help us remember different stories and using drama to act out our own stories.

Story Scribing

We will begin story scribing where children can share their stories and an adult scribes for them, as children become more confident they can begin to write their own stories independently.
