

DT Curriculum

Our DT curriculum fosters a sense of innovation and creativity. We want our children to develop their resourcefulness and practical skills, challenge assumptions, question and explore and to have freedom to develop resilience through failure. Our aim is for curiosity and purpose to drive the process of design. It is underpinned through practical, hands-on experiences to deploy skills from across the curriculum.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Gross and fine motor skills		Creating with Materials		Design, implement and evaluate	
Year 1		Materials/Textiles	Food (Healthy Eating)		Construction/Mechanics	Food
Year 2		Materials/ Textiles	Construction/Mechanics			Food
Year 3			Materials/textiles	Food	Construction/Mechanics	Food
Year 4		Construction/ Mechanics		Materials/Textiles	Food	Food
Year 5	Food		Food	Construction/Materials		Materials/Textiles
Year 6	Food		Food	Construction/Material		Materials/Textiles
