

RE Curriculum

Our RE curriculum fosters a sense of enquiry, interpretation, reflection and joy in the world to help us live life in all its fullness. We want our children to embrace diversity, inclusivity and respect for others. Our aim is for the use of big questions to develop an understanding of theology, philosophy and social science. It is underpinned through meaningful discussion and openness.

Our RE curriculum follows the Kirklees Locally Agreed Syllabus and is enriched through additional aspects covered with Hand to Mouth.
